- **USE OF HIGH TUNNEL GREENHOUSE EXEMPTION WILL VOID ALL REMAINING STANDARD EXEMPTION**

- Maximum exemption permitted is 25% of existing buildings _____sq. ft. (township to complete)

By my signature below, I certify to the Township that, to the best of my knowledge, the following statements are true:

- The Proposed Activity will not result in the disturbance of land within Floodplains, Wetlands, Environmentally Sensitive Areas, Riparian Forest Buffers, or slopes greater than 15%.

- The Proposed Activity will not be conducted within any existing drainage or storm water easement created by or shown on any recorded plan.

- The Proposed Activity will minimize soil disturbance, take steps to minimize Erosion during construction activity, and promptly reclaim all disturbed areas with topsoil and vegetation.

- The Proposed Activity will not adversely impact any existing known problem areas or downstream property owners of the quality of Runoff entering any Storm Sewer.

- I will minimize soil disturbance, take steps to minimize Erosion during construction activity, and promptly reclaim all disturbed areas with topsoil and vegetation.

- I will take steps to insure that Runoff will be directed to Pervious Areas on the subject property. No Runoff will be directed onto an abutting street or neighboring property.

- I acknowledge the Township's right to review the provided information, at my expense, and to deny this application or to revoke this permit application if any of the above statements are found to be false.

- I acknowledge that the use of a High Tunnel Exemption voids all remaining Standard Exemption.
